

The Great Global Greyhound Walk

An annual walk celebrating and raising awareness of
greyhounds as great pets

One day, across the world, united for greyhounds!

BIG, BOLD & BLUE!

The Great Global Greyhound Walk (GGGW) aims to build on its increasing success and go big, bold and blue in 2020!

After nearly 8,800 sighthounds walked 'together' across the globe last year, the aim is now for **10,000 hounds!** The theme for the event on **Sunday 14th June** is the colour blue and people and hounds are encouraged to dress up whilst participating in the 100's of walks organised across the world.

Originally named the Great British Greyhound Walk, this annual event was begun by the charity Greyhound Walks. Founded by one lady, Janet Peacock, who wanted some company to walk with her greyhound, the charity organises walks primarily across East Anglia to unite sighthounds and their owners – giving both the chance to relax and socialise together. The idea of a national (and now very much international!) annual walk was sown and has grown to be a very popular date in greyhound lovers diaries.

Greyhounds are misunderstood by many – believed to be high maintenance and needing lots of exercise; nothing could be further from the truth – they are known as 40mph couch potatoes for good reason! Instantly recognisable with their sleek noble look, greyhounds have calm temperaments and gentle natures. Most are happy with just 2 twenty minute walks per day – but a large number are happy to do more. They are more adaptable than people realise and can suit many different lifestyles and family circumstances – many even live with small furry animals.

Over the 10 years its been running, the GGGW has expanded immensely in both numbers and spread of walks, with registrations across the UK from Scotland to Jersey, and globally involving participants in North America, mainland Europe and Australasia, to name a few. Five of last years registered walks each attracted over 200 hounds – quite a sight! - however it is important to note that small walks involving just 2 or 3 hounds are equally important to the overall figures and helps increase the coverage across the globe that the event can reach. The ultimate goal is for the general public to see the hounds out on their walk, meet them, and learn about their lovely characteristics – and maybe even give one a home in the future. In the past, the GGGW has been proven to find forever homes for hounds that needed them – it is the hope that this side of the event will also increase.

Registrations for walks can be made via the website, where you can also find more information –

The Great Global Greyhound Walk is organised by Greyhound Walks – Registered Charity No. 1127875.
The charity aims to socialise greyhounds and lurchers; promote awareness of retired greyhounds as family pets; through voluntary contributions and events raise money for needy Essex, Suffolk & Hertfordshire greyhounds; support Essex, Suffolk & Hertfordshire rehoming kennels and animal rescues who rehome greyhounds.

Please note all our admin team and walk organisers are volunteers
